

German Association for Synthetic Biology – GASB e.V., Biegenstraße 43 , 35037 Marburg, steering@ga-sb.de

06.03.2024

Dear Madam or Sir,

With this letter I endorse the submission of the spreadsheet containing comments to the document "literature review of trends and issues in synthetic biology (2012 - 2023)" in my position as the President of the German Association for Synthetic Biology e.V.

Sincerely,

Jan Kalkowski

President, German Association for Synthetic Biology
