Scenario:

A Competent National Authority is contacted by a National Development Agency that wants to support efforts to strengthen environmental risk assessment training of regulators in the Caribbean. The agency wants to know if there are any opportunities for them to tie into existing capacity building programs that are already underway. Please answer the following questions:

1. What on-going capacity-building programs are available for Caribbean and/or other regions?
2. What information would the National Development Agency need if they want to register their support activity in the BCH database?
