

# Testing of the Guidance on Risk Assessment of Living Modified Organisms

#2

**COMPLETE**

**Collector:** BCH website (Website Survey)

**Started:** Thursday, February 13, 2014 7:32:53 AM

**Last Modified:** Thursday, February 13, 2014 7:35:49 AM

**Time Spent:** 00:02:56

## PAGE 1

**Q1: Type of submission:**

Organization

## PAGE 2

**Q2: Name of the Party:**

*Respondent skipped this question*

**Q3: Person submitting this questionnaire:**

*Respondent skipped this question*

**Q4: Institution(s) or organization(s) that participated in the testing:**

*Respondent skipped this question*

**Q5: Context in which the testing was conducted**

*Respondent skipped this question*

**Q6: Actual case(s) of risk assessment used in the testing:**  
**Note:** Please enter the hyperlinks of BCH Risk Assessment Records (e.g. <http://bch.cbd.int/database/record.shtml?documentid=104904> and <http://bch.cbd.int/database/record.shtml?documentid=104905>) or other publicly accessible web pages containing the technical and scientific data of the actual cases of risk assessment used in the testing.

*Respondent skipped this question*

**Q7: In what language was the Guidance tested?**

*Respondent skipped this question*

## PAGE 3

**Q8: Name of the other Government:**

*Respondent skipped this question*

**Q9: Person submitting this questionnaire:**

*Respondent skipped this question*

**Q10: Institution(s) or organization(s) that participated in the testing:**

*Respondent skipped this question*

**Q11: Context in which the testing was conducted**

*Respondent skipped this question*

**Q12: Actual case(s) of risk assessment used in the testing:**  
**Note:** Please enter the hyperlinks of BCH Risk Assessment Records (e.g. <http://bch.cbd.int/database/record.shtml?documentid=104904> and <http://bch.cbd.int/database/record.shtml?documentid=104905>) or other publicly accessible web pages containing the technical and scientific data of the actual cases of risk assessment used in the testing.

*Respondent skipped this question*

**Q13: In what language was the Guidance tested?**

*Respondent skipped this question*

|--------------------------------------------------------------------------------------------------------------------------------------|-----|
| <b>Q20: Would you like to submit an evaluation of the following section of the Guidance: Part I: The Roadmap for Risk Assessment</b> | Yes |
|--------------------------------------------------------------------------------------------------------------------------------------|-----|

|                                                                                                                                                                                                         |                                         |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------|
| <b>Q21: This section of the Guidance is practical.1</b>                                                                                                                                                 |                                         |
| (no label)                                                                                                                                                                                              | Strongly Agree                          |
| <b>Q22: Would you like to suggest improvements to this section to increase its practicality? If so, please indicate the line numbers and explain which improvements could be made:</b>                  |                                         |
| Guidance is good instruction and practical tool for step-by-step procedure of risk assessment.                                                                                                          |                                         |
| <b>Q23: This section of the Guidance is useful or has utility.2</b>                                                                                                                                     |                                         |
| (no label)                                                                                                                                                                                              | Agree                                   |
| <b>Q24: Would you like to suggest improvements to this section to increase its usefulness/utility? If so, please indicate the line numbers and explain which improvements could be made:</b>            | <i>Respondent skipped this question</i> |
| <b>Q25: This section of the Guidance is consistent with the Cartagena Protocol on Biosafety.3</b>                                                                                                       |                                         |
| (no label)                                                                                                                                                                                              | Strongly Agree                          |
| <b>Q26: Would you like to suggest improvements to this section to increase its consistency with the Protocol? If so, please indicate the line numbers and explain which improvements could be made:</b> |                                         |
| Probably should be also provided reference to Alma-Aty amendment to Aarhus Convention as potential instrument of public involvement in decision making                                                  |                                         |

# Testing of the Guidance on Risk Assessment of Living Modified Organisms

**Q27: This section of the Guidance takes into account past and present experiences with LMOs.<sup>4</sup>**

(no label)

Agree

**Q28: Would you like to suggest improvements to this section in order to better take into account past and present experiences with LMOs? If so, please indicate the line numbers and explain which improvements could be made:** *Respondent skipped this question*

**Q29: Here you may provide further details to explain your answers in evaluating this section of the Guidance:**

I propose include as recommendation to conduct also consultations with experienced NGOs and community of tergetting area for better understanding social and some other possible accompanying effects from GMO releasing.

PAGE 7

**Q30: Would you like to submit an evaluation of the following section of the Guidance: Part II: Specific types of LMOs or Traits - Risk assessment of LMOs with stacked genes or traits**

No

PAGE 8

**Q31: This section of the Guidance is practical.<sup>1</sup>**

*Respondent skipped this question*

**Q32: Would you like to suggest improvements to this section to increase its practicality? If so, please indicate the line numbers and explain which improvements could be made:**

*Respondent skipped this question*

**Q33: This section of the Guidance is useful or has utility.<sup>2</sup>**

*Respondent skipped this question*

**Q34: Would you like to suggest improvements to this section to increase its usefulness/utility? If so, please indicate the line numbers and explain which improvements could be made:**

*Respondent skipped this question*

**Q35: This section of the Guidance is consistent with the Cartagena Protocol on Biosafety.<sup>3</sup>**

*Respondent skipped this question*

**Q36: Would you like to suggest improvements to this section to increase its consistency with the Protocol? If so, please indicate the line numbers and explain which improvements could be made:**

*Respondent skipped this question*

**Q37: This section of the Guidance takes into account past and present experiences with LMOs.<sup>4</sup>**

*Respondent skipped this question*

**Q38: Would you like to suggest improvements to this section in order to better take into account past and present experiences with LMOs? If so, please indicate the line numbers and explain which improvements could be made:**

*Respondent skipped this question*

**Q39: Here you may provide further details to explain your answers in evaluating this section of the Guidance:**

*Respondent skipped this question*
