**Secretariat of the Convention on Biological  
Diversity**

**Workshop material No. 5**

## **Decision BS-V/16**

- **Strategic Plan (2011-2020)**
- **Multi-year Programme of Work (2012-2016)**

## Vision

*Biological diversity is adequately protected  
from any adverse effects of living  
modified organisms*

---

## Mission

*To strengthen global, regional & national  
action and capacity...  
(to achieve the objective of the Protocol)*

---

## Structure

### Strategic objectives

What needs to be met in the next ten years in order for the vision and the mission to be achieved

### Expected impacts

These should occur if the strategic objective is met

### Operational objectives

Actions that need to be undertaken in order to realise these impacts

### Outcomes

Positive results that would be obtained if the operational objectives are achieved

### Indicators

Specific criteria for measuring achievements

## Five Strategic Objectives/Focal Areas

1. Facilitating the establishment and further development of effective biosafety systems for the implementation of the Protocol

2. Capacity-building

3. Compliance and review

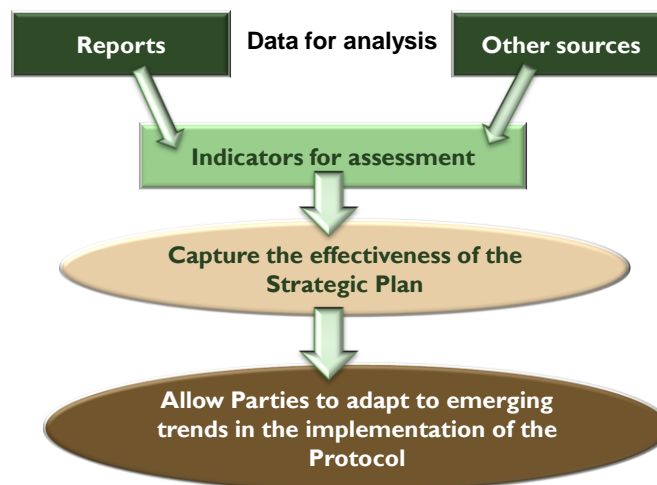

4. Information sharing

5. Outreach and cooperation

## Operational objectives relevant to workshop

- National Biosafety Frameworks in place – Assessment and Review
- Liability and Redress (implementation of Supplementary Protocol)
- Information on biosafety laws and/or regulations on the BCH

## Mid-term evaluation of the Strategic Plan

## Multi-year programme of work

### COP-MOP 6

#### Liability and redress (Operational Objective 1.5)

➤ To consider the status of signature, ratification or accession to the Nagoya – Kuala Lumpur Supplementary Protocol on Liability and Redress to the Biosafety Protocol.

#### Assessment and Review (Operational Objective 3.2)

➤ This assessment and review will focus primarily on evaluating the status of implementation of core elements of the Protocol – whether domestic regulatory frameworks consistent with the Protocol are in place and operational.

## Multi-year programme of work (cont'd)

### COP-MOP 7

#### Liability and redress (Operational objectives 1.5 & 2.4)

➤ To consider the status of implementation of the Supplementary Protocol.

#### Information sharing and the BCH (Operational objective 4.1)

➤ To review the overall operation of the BCH including access to and retrieval of information by users.

## Multi-year programme of work (cont'd)

### COP-MOP 8

#### Liability and redress (Operational objective 2.4)

➤ To review the need for any guidance or assistance to Parties in their efforts to establish and apply the Supplementary Protocol and/or national rules and procedures on liability and redress related to living modified organisms.

## Multi-year programme of work (cont'd)

### Programme of work will be adjusted on the basis of:

- experience gained in the implementation of the requirements of the Protocol;
- the result of the periodic assessment and review of the effectiveness of the Protocol as provided for in Article 35 of the Protocol.
